MATTHEW W. DEPAOLERA MEMORIAL FOUNDATION

**Strength for today. Support for tomorrow.
Lasting hope for young families.**

OUR INSPIRATION

Matt “DEPO” was more than a devoted father, husband, son, brother and friend; he was a light. His infectious smile was a reflection of the genuine kindness and warmth that defined him. When faced with the immense challenge of multi-focal glioblastoma, Matt responded with unparalleled courage and resilience. Even in his most difficult moments, he taught us to meet every day with strength and determination, creating a legacy of bravery that continues to inspire our mission today.

OUR MISSION

Our foundation is devoted to supporting young families navigating the complexities of relentless cancers, inspired by the perseverance Matt showed throughout his own journey. We believe that no family should face these challenges alone. This foundation carries forward the kindness and support that surrounded Matt and his family, bringing comfort and hope to others. Matt’s legacy endures through this foundation by sharing compassion with others.

OUR WORK

Through community fundraising and the generosity of our donors, we alleviate the heavy burdens families carry. By assisting with medical bills, transportation, and childcare, we provide the essential resources that foster stability and comfort. During Matt’s fight, we discovered that the greatest strength comes from the overwhelming love of a community that truly cares. In his honor, we empower families to face their battles with faith and hope, ensuring they are never alone in their journey. By meeting these essential needs, we allow families to focus on what matters most: moving forward with faith, love, and the unwavering strength that Matt taught us all lies within.
